Year: 14th January, 2024 - 06th January, 2025

Age requirement: between 15 and 18 years of age.

Academic requirements: You should have 75% minimum on the board examination at the 10-th standard; or, if you have not taken the board examination, you must provide an academic evaluation from your school.

Language requirements: It depends on the country you select. Generally, you would require two years of study. You need to be able to communicate with your host family, and follow lessons in school. However, if you know English, in the majority of countries a serious commitment to learn the new language is sufficient. Additionally, some countries offer intensive language courses.

Passport requirements: You should possess a passport that is valid for more than two years from the date of application.
